1 **3. Holding Activity in Sub-proceedings C-125-B and C-125-C in Abeyance**

2 The Parties agree that all activity in the C-125-B and C-125-C sub-proceedings should
3 continue to be stayed, with the exception of efforts by the United States, Tribe and Mineral
4 County to complete service and otherwise as ordered by the Court.

5 **4. Payment of Mediator Fees and Expenses**

6 The Parties have agreed to make and are able to make payments toward the Mediator's
7 fees and expenses over the next six months in accordance with the provisions of the Mediation
8 Process Agreement.

9 **5. Need for Court Hearing**

10 There is no need for a hearing before the Court at the present time. However, the
11 Parties anticipate that sometime early in 2004 (February or March), there may be one or more
12 temporary water right changes which will require court approval prior to the initiation of the
13 irrigation season in order to be implemented. The Parties will contact the courtroom deputy
14 and calendar clerk as to the need for and timing of a hearing or hearings on any such temporary
15 changes to water rights become clearer.
